

2022-23 TCC PARENT COUNCIL COMMITTEES

Chick-fil-A

This is only a 20-30 minute commitment once a month (or less depending on number of volunteers). It just requires directed assistance packing bags and delivering to classrooms. It can be done with a younger sibling in tow and is perfect as a quick job to be done in the mornings your child is in school. Meghan Chopek and Rebecca Ulness are chairing this committee.

Party in the Parking Lot

Calling all fun loving (and organized!) parents! Join the Party in the Parking Lot Committee to help plan and execute what is sure to be your child's favorite event of the year! Held annually in the Spring, this is an excellent "end-of-year" celebration for our students, faculty and community! Chaired by Mary Elizabeth Rives

Scholastic

Love children's books? This committee is for you! Help organize book orders from Scholastic. This is typically done only once or twice a school year.

Staff Appreciation

Like Pinterest? This committee may be for you! Help spread the love for our staff and faculty with creative and wonderful treats throughout the year. Get creative and bust out the frills and glitter for Staff Appreciation week! The staff will FOREVER love you!! Chaired by Cassidy Montgomery and Lindsey Antonio.

School Photos

Each year, TCC has 2 sets of school photos – Fall and Spring. As committee members, you are invaluable in helping the day run smoothly! Committee members help with ANYTHING teachers, photographers, staff and children may need. Usually the time commitment is somewhere around 2 hours per session. This is such an easy and FUN volunteer position! Chaired by Ashley Ely and Fran Sutton

Family Events

Love to throw a party? Then Family Events is the place for you! Join the committee and assist in planning special soirees such as The Candyland Ball, Morning with Mom, Donuts for Dad, etc! Chaired by Krista Bokhari and Melanie Bowden

Art Night

Do you have an artistic flair? TCC's Art Night is beloved by parents and teachers as the kids show off their creations and class artwork. This committee involves assisting with classroom art projects and managing a small fundraiser on Art Night in mid-February. Chaired by Amy Cole and Sarah Skaff

Christian Outreach/TCC Cares

The warmest hug of a committee. Promote the mission efforts of our preschool including special events including any clothing/food/toy drives. Additionally, this committee will help our TCC families in crisis or need. Help bring a TCC family a meal, send them a card, etc. A great way to give a little back to those around us.
