The Children's Circle

at Myers Park United Methodist Church

Established in 1947, The Children's Circle is a safe, nurturing, child-centered environment. It is a place where parents and teachers build partnerships to empower children to develop spiritually, cognitively, socially, emotionally, physically and linguistically. As a ministry of Myers Park United Methodist Church, our purpose is to help each child and family realize the love of God through the experiences that we share.
